Invitation to the second Cambridge Association Meeting in Munich/Germany

of the language course at STUDIO-SCHOOL / Cambridge, in autumn 1997.

Dear classmates,

I often think about our study group back in 1997 in Cambridge and I still feel great pleasure remembering. Unfortunately I lost contact to some of you, but I'm still in close touch with Mako, Valentina, Georgia and Dirk. One way to brush up these memories and make it easier to stay in touch are these "Cambridge Association Meetings".

So for those of you who missed the first Cambridge Association Meeting for any reason, here is a short review:

The first CA Meeting took place from the 15th to 22nd of September 1999. Unfortunately only a few (Mako, Valentina, Dirk and my Cambridge hosts) of you attended the meeting. The participants were all accommodated in my house and therefore we had long evenings of talk and did a lot to keep our spoken English going. During the day we visited famous places like the castle Neuschwanstein or went for a little cruise by ship on the lake Chiemsee (see the attached photographs).

To put it in a nutshell; we had a lot of fun!

That's the reason why I decided to set up another meeting sometime in the first half of 2001 and hope that you all will come then.

Unfortunately I've lost touch with our South-American representatives, Raul and Paola as well as one of the Japanese representatives, Akane. So if some of you are still in touch with one of them, please forward this letter to invite them as well. Of course everybody who is interested, should get in touch with me, so I can organise accommodations for each person (and of course their better halves).

I live here in Deisenhofen in a house with a special visitor flat in the attic and some rooms elsewhere where you can stay. So as a general rule: If you feel comfortable with your own bed, but perhaps together with some of your classmates in one room, than I can offer you accommodation free of charge. Otherwise in my village are some nice little hotels nearby.

The next step will be to fix the point in time when the meeting should take place. From previous experiences the meeting usually lasts about a week, but that's no mandatory. I suggest **the end of May** or the **beginning of June**. We usually get nice weather then without rain so we can do a lot of out door activities. This could be mountain hiking (sporty) as well as sightseeing (cultural), but in every case it means a lot of fun.

Perhaps a few of you are interested in a visit to the world's most famous fun-fair the "Oktoberfest" in Munich. In this case we need to set up our meeting between the **22nd of September through the 7th of October**. To be honest I'm not very in favour of this event because it's usually terribly crowded.

Anyway, last time everybody was enthusiastic and excited by this event.

I took this photo in front of a beer tent at the "Oktoberfest". As you can see it's rather crowded.

Well, if none of these dates above fit in your schedule, please suggest another. I'll then try to co-ordinate with the other members.

By the way, I currently publish an event-section on my own web-site (<http://www.pisl.de>) and the most current information about our meeting can also be found there. So feel free to visit my web page and enter also my visitor's book where you can leave your comments. You are always welcome....

I look forward to receiving any messages from you.

Bye, and good luck!
Yours
